Foundry Graduates
First Female Apprentice

One of the oldest apprenticeships offered at Newport News Shipbuilding is the Foundry Mold Apprenticeship. Since the program’s start in 1902, it has been offered three different times and has graduated 112 male apprentices. On Aug. 3, 2015, Shanae Hilliard became the first female to graduate from the program, paving the way for other female apprentices including Jessica Neighbors and Sara Neuberger, who are currently enrolled in the program.

“I take a lot of pride in accomplishing this milestone for The Apprentice School, the Foundry and Newport News Shipbuilding,” said Hilliard. “This experience required me to become a leader and I’m very appreciative of that.”

Hilliard says that the Foundry can be labor intensive at times. “When I first began, it was questionable if I was going to be able to rotate in certain areas of the shop because of rigorous operations,” said Hilliard. “However, that perspective has changed. Although, I felt as if I had a lot to prove along the way, I had a great support system from my fellow apprentices and Foundry co-workers.”

Hilliard's Apprentice Instructor Sean Massey says he's proud of Shanae's accomplishments. “I can’t say enough positive things about Shanae. She is bright, energetic and is eager to learn. I am confident that she will be able to accomplish anything she sets her mind to and I look forward to seeing her as a colleague working in the Foundry,” he said.

E&D Shipbuilders Thank Craftsmen and Craftswomen on National Tradesmen Day

In honor of National Tradesmen Day, members of Newport News Shipbuilding’s Engineering and Design (E&D) team went out to shipyard gates on Friday, Sept. 18 to greet thousands of craftsmen and craftswomen and thank them for their skill and dedication.

Cindy Kirby, who leads engagement efforts for E&D, was stationed at the 37th Street Gate on Friday. “As team members within Engineering and Design, we want to thank our crafts men and women for making our designs come to life,” she said. “We sometimes forget that such a simple expression ...
Shipbuilders Continue to Sign Up for Hampton Roads Heart Walk Events

Nearly 100 employees signed up for this year’s Heart Walk during their lunch break at the North Yard’s Applebee’s on Sept. 15.

When asked why they wanted to participate, Shelia Harrison (X33) said, “I have people in my family with heart problems. My daughter’s grandparents died due to heart problems, so it means a lot to me. We do the walk in honor of them.”

X33 Painters Shenita McKeller and Thomas Evans also said that the walk is important to them. “I’ve had high blood pressures since I was seventeen, and my grandfather died of a stroke,” said McKeller. “So this walk means a lot to me, especially when it comes to raising awareness for others.”

Evans said, “I’ve always donated cash, but I’ve never volunteered my time. This year, I wanted to do something different and see what the event is all about.”

The Hampton Roads Heart Walk events will be held on Oct. 10 at Mount Trashmore in Virginia Beach and Oct. 17 at the Peninsula Town Center in Hampton. The walk is FREE to register for and all NNS team participants, including friends and family, will receive an NNS T-shirt. There is still time to become a Team Lead or to join an existing NNS team. Watch the NNS Heart Walk Video on Yardnet or on HII’s Facebook page from a home computer. For more information, visit www.HamptonRoadsHeartWalk.org or contact Amy McDonald (O29) at 688-6489.

Shipbuilder Presented with Ethics Award

Donna Black (O89) was recently presented with an Ethics On-the-Spot Level 1 Award for helping the company to comply with copyright laws. Black discovered that YouTube videos are for personal use only and written consent of licensor’s is required for non-personal use. Her awareness led to the A/V staff receiving training from the Law Department and information was then cascaded throughout the company during Ethics Awareness Week, Aug. 17-21. Currently, the VASCIC Conference Center is in the process of incorporating information into the reservation process.

Hispanic Heritage Month: “Many Stories, Many Backgrounds, One American Spirit”

Hispanic Heritage Month honors the millions of Hispanic Americans whose love of family, hard work, and community have helped unite the United States as a Nation.

The Navy recognizes the service of nearly 70,000 Hispanic sailors and civilians who comprise approximately 11 percent of the Navy’s active, reserve and civilian forces. Prominent Hispanics in the Navy include: Hospital-man 2nd Class Luis Fonseca Jr. who received the Navy Cross for extraordinary heroism in the presence of great danger during Operation Iraqi Freedom March 23, 2003. Master Chief Petty Officer of the Navy (SW/FMF) Joe R. Campa Jr., the first Hispanic MCPON. Captain Yvette Davids, who took command of the USS Curts (FFG 38) in 2010 and was the first Hispanic woman to command a surface combatant and naval vessel at sea. As of 2014, twenty-seven Hispanic officers have achieved flag rank.

The naming of a US Navy ship is one of the highest honors the Navy can bestow on a person. As of 2014, several ships and submarines have been named for Hispanics, including the USS Farragut (DDG 99), USS Gonzalez (DDG 66), USS Garcia (DE 014), USNS Benavides (T-AKR 306), USS Valdez (FF 1096), USNS 1st Lt. Baldomero Lopez (T-AK 310), USS Simon Bolivar (SSBN 641), and the USS Mariano G. Vallejo (SSBN 658).

Hispanic Heritage Month is Sept. 15-Oct. 15 and is an opportunity to recognize diversity and celebrate the rich culture added to Newport News Shipbuilding by Hispanic American Shipbuilders. NNS’ Hispanic Outreach Leadership Alliance (HOLA) will celebrate Hispanic Heritage Month from 4:30 to 6 p.m. on Tuesday, Sept. 29 in Bldg. 520-6 (James River Room). NNS President Matt Mulherin will be the guest speaker for the event. All employees are invited and the event will include light refreshments, music and displays.

Visit the HOLA website to join or learn more about HOLA.
Employee Engagement Survey to Begin Oct. 7

The next employee engagement survey will begin on Oct. 7. All employees are encouraged to participate. This year, an additional question has been added to the survey, “My supervisor creates an environment that is trusting and open.” As always, the survey is 100 percent confidential. Employees with computer access will be sent a link to access the survey. Employees without computer access will receive hard copies. Read a letter from Mike Petters, HII president and CEO, or visit the Engagement website for more information about the survey.

Who Should HR Call in an Emergency?

If you are involved in an emergency situation at HII, the company may need to notify your designated emergency point-of-contact.

Human Resources is encouraging all employees to complete and/or update their emergency contact information (Form: NN 9-1 (rev. 9)), which is available on Forms Viewer or by clicking the Emergency Contact Update link on the HR Yardnet website. Employees may also go to the receptionist’s desk in Bldg. 500-1 to obtain a paper form.

Human Resources’ system of record (SAP) will be updated with this emergency contact information you provide. It will be secure and only used by Human Resources management. Thank you for your support in improving our emergency notification process at HII.

40th Street and Warwick Blvd. Vehicle Entrance Gate Closure

The vehicle entrance gate at 40th Street and Warwick Blvd. will be temporarily closed from 9 a.m. to noon on Wednesday, Sept. 23 due to an electrical repair. During the closure, employees should use the North Yard vehicle inspection gate. Read the Distribution A Memo regarding the closure.

E&D Shipbuilders Thank Craftsmen and Craftswomen cont.

... of thanks can go a long way in making our fellow shipbuilders feel valued and recognized for the work they do.”

Liza Carter (E25) was one of the six E&D team members at the 35th Street Gate. “I believe that it is important to show our fellow shipbuilders that they are appreciated,” she said. “Without their hard work, we wouldn’t be producing great ships.”

E&D Shipbuilders Thank Craftsmen and Craftswomen on National Tradesmen Day

In honor of National Tradesmen Day, members of Newport News Shipbuilding’s Engineering and Design (E&D) team went out to shipyard gates on Friday, Sept. 18 to greet thousands of craftsmen and craftswomen and thank them for their skill and dedication.

The top story photo on p. 1 and photos from National Tradesmen Day were taken by NNS Staff Photographer John Whalen.
