

**RANDY ASKEW – ENVIRONMENTAL HEALTH AND SAFETY**

WATER WEDNESDAYS IS ABOUT SHOWING THE EMPLOYEES THE IMPORTANCE OF STAYING HYDRATED DURING THE HOT SUMMER MONTHS. AND NOT ONLY STAYING HYDRATED JUST AT WORK, BUT WHEN YOU GO HOME TOO. YOU SHOULD BE DRINKING WATER AND EATING HEALTHY FOODS THAT HYDRATE YOUR BODY.

IT'S NOT ONLY O27 THAT'S PASSING OUT WATER, YOU KNOW, WE HAVE VOLUNTEERS FROM THE TRADES, WE HAVE FOREMAN AND GENERAL FOREMAN THAT COME DOWN AND HELP US PASS OUT AT NOT ONLY 50<sup>TH</sup> STREET GATE BUT AT GATES ALL THROUGHOUT THE SHIPYARD, DURING THE MORNING AND AFTERNOON.

OH, IT'S AWESOME. I LOVE, YOU KNOW, HELPING PEOPLE AND IT'S NICE TO CONTRIBUTE TO PEOPLE'S SAFETY AND MAKING SURE THAT THEY CAN GET HOME.
