

It's Time to Enjoy the Ride and the Savings

Riding together adds up to more savings, less pollution and valuable time back in your day. Invite your coworkers to reimagine their commutes, and you could earn a fuel card for your referral.

Tell your friends and coworkers

how your commute has improved

Identify 5 or more people

who live near one another and want to commute together

Help them sign up

by having the Coordinator complete a short form

Collect your bonus,

once the commuter vehicle is delivered

WHAT'S YOUR BONUS POTENTIAL?
\$200 Fuel Card for each commute you refer

See Reverse for Rules.

**Ready to Commute
with Enterprise?**

Your Local Enterprise Rep Has Your Back.

OFFICIAL RULES

- 1. ELIGIBILITY:** The New Commuter Referral Promotion is only open to current Commute with Enterprise participants.
- 2. TIMING:** 11/12/2018 – 05/31/2019
- 3. SPONSOR:** Commute with Enterprise – 9401 Midlothian Turnpike, Richmond, Va 23235
- 4. HOW IT WORKS:** When a current Commute with Enterprise customer refers a new commuter group AND the vehicle is delivered, the Referring Party will receive a \$200 fuel card.
- 5. TERMS & CONDITIONS:**
 - A new commuter group must be made up of passengers who are not currently customers of Commute with Enterprise.
 - The referral must be for a new **group of 5+ participants** who are ready to start commuting with Enterprise. For simplicity, the referral form can include one person in the group's name. A referral cannot be generated for a group who has already contacted Enterprise.
 - The new commuter group must have a Coordinator and at least one Approved Driver.
 - The Referring Party must submit a referral form, which will be validated once the above terms are met.
 - The fuel card will be delivered to the Referring Party upon delivery of the new commuter vehicle.
 - The Referring Party's account must be current in order to receive the fuel card.
 - Promotion void where prohibited by law, Agency/Employer policies or Commute with Enterprise contract.
 - Restrictions apply.
