

# PARKING & TRANSPORTATION NOTICE

NUMBER 00004

June 20, 2019

*John F. Kennedy* (CVN 79) crew members are scheduled to start arriving at Newport News Shipbuilding at the beginning of July. In accordance with contractual agreements with the Navy, the CVN 79 office will be located in Bldg. 608 and crew parking will be designated to the two surface lots on the south side of the facility (see diagram below).

**As a result, NNS employees will no longer be able to park in the two surface lots located south of Bldg. 608 beginning at 5 p.m. on Friday, June 28.**

NNS employees who have been parking at this location are encouraged to park on the top floor of the West Avenue garage, which is located at 30th Street and West Avenue, in nearby aqua parking lots – or offsite and use company-provided transportation.

For questions and/or feedback regarding this change, send an email to [ParkingSolutions@hii-nns.com](mailto:ParkingSolutions@hii-nns.com).
