

AARON PRITCHETT, COMMUNICATIONS DIVISION, NEWPORT NEWS SHIPBUILDING

MANY PEOPLE WILL BE COMING BACK TO WORK ON MONDAY BUT OTHERS WERE HARD AT WORK OVER THE WEEKEND TO MAKE SURE OUR SHIPYARD IS CLEAN AND SANITIZED AS WE CONTINUE OUR MISSION OF ALWAYS BUILDING GREAT SHIPS.

BUZZ HALLEEN, MANAGER PLANT OPERATIONS, NEWPORT NEWS SHIPBUILDING

THAT'S RIGHT WE'RE AT IT. I MEAN WE GOT ALL HANDS ON DECK. WE REALLY WANT TO MAKE SURE THAT THE SHIPYARD IS CLEAN AND SAFE AND THAT WE'RE PROVIDING PEOPLE WITH A PLACE THAT THEY FEEL COMFORTABLE COMING BACK TO WORK AT. WE FEEL LIKE THIS IS OUR RESPONSIBILITY AND THAT WE'RE OUT HERE GETTING IT. WHATEVER IT TAKES.

DAVID JONES, CLEANER, NEWPORT NEWS SHIPBUILDING

WE'RE HERE TODAY BECAUSE TO KEEPING THE SHIPYARD TO STAY OPEN. CLEANING IS VERY IMPORTANT. WE'RE JUST TAKING A LITTLE COURSE OF ACTION TO PROTECT OURSELVES SO WE CAN COME IN THE GATES AND LEAVE AND GO HOME TO OUR FAMILIES.

BUZZ HALLEEN

WE'RE GOING ALL OVER. WE'RE GOING INTO PRODUCTION SPACES, WE'RE GOING INTO OFFICE SPACES, WE'RE HEADING EVERY PLACE THAT WE CAN GO BECAUSE IN ORDER FOR IT TO BE SUCCESSFUL REALLY WE NEED EVERYBODY TO KEEP EACH OTHER SAFE. WE WENT FROM CLEANING ON A DAY-TO-DAY BASIS TO RAMPING IT UP TO THE GATES AND THE TURNSTILES AND THE TOUCH POINTS AND NOW WE'VE EVEN RAMPED UP OUR PRODUCTION AND WE'VE GOT SPRAY BOTTLES OF DISINFECTANT. SO IT'S SOMETHING THAT WE REALLY WANT TO PUT IN HANDS OF EVERYBODY SO EVERYBODY CAN TAKE CARE OF THEIR OWN SPACES.

KENNY LIGGINS, JANITOR, NEWPORT NEWS SHIPBUILDING

WE HAVE MORE STAFF THAN WE NORMALLY DO CLEANING. IT'S A TEAM EFFORT SO EVERYBODY HAS TO DO THEIR PART AND THEN MAKING A SHIP YOU'RE AT A SAFE PLACE.

FRANCINE DELK, JANITOR, NEWPORT NEWS SHIPBUILDING

WE NEED EVERYBODY'S SUPPORT EVERYBODY NEED TO COME IN AS ONE ACCORD AND HELP US ALL GET THESE VIRUSES GOING AROUND. WE'RE DOING ALL WE CAN TO KEEP EVERYTHING SANITIZED.

BUZZ HALLEEN

WE BROUGHT IN A COMPANY TO DO SOME FOGGING. THE FOGGING EFFORTS THAT WE HAVE ON IS REALLY IT'S WHAT IT IS ITS CLOROX OR A CLEANING BLEACHING AGENT THAT'S ELECTRIC STATIC AND SO IT ADHERES ITSELF TO SURFACES EVEN IF WE DON'T TOUCH THEM AND SO IT TAKES OUR SANITATION EFFORTS AND TAKES IT ONE STEP FURTHER. WHAT WE DO IS REALLY IMPORTANT WE'RE BUILDING SHIPS DEFENDING A FREE WORLD AND SO WE NEED TO KEEP THIS PLACE OPERATIONAL, WE NEED TO KEEP IT OPEN, WE NEED TO KEEP PEOPLE FEELING COMFORTABLE AND SAFE COMING TO WORK AND SO WHAT I WOULD ASK AND WHAT I WOULD ENCOURAGE IS THAT HEY IF YOU'RE CONCERNED OR EVEN IF YOU'RE NOT TAKE CARE OF YOUR BUDDY, TAKE CARE OF YOUR FRIEND, TAKE CARE OF THE SPACE THAT YOU'RE IN. IT'S EVERYBODY'S RESPONSIBILITY TO DO CLEANING.

AARON PRITCHETT

WE DEFINITELY APPRECIATE ALL THE HARD WORK OUR CLEANING CREWS AND INDIVIDUAL SHIP BUILDERS ARE DOING TO HELP CLEAN AND SANITIZE OUR SHIPYARD AND REMEMBER TO MAKE SURE YOU KEEP UP TO DATE WITH THE LATEST INFORMATION BY GOING TO OUR 411 WEBSITE, OUR SOCIAL MEDIA CHANNELS AND DOWNLOADING OUR APP NNS TO GO. THANKS SO MUCH. I AM AARON PRITCHETT.
